Dear Graduates:

The staff of the Connecticut Technology Transfer Center would like to extend our heartfelt congratulations to those individuals who completed the Road Master, Road Scholar, Legal Traffic Authority and Public Works Academy in 2013.

You are a member of the largest graduating class in the history of the T2 Center. Your dedication to these training programs is certainly a reflection of your commitment to excellence in your profession and to your personal and professional development.

As we look forward at the changing transportation workforce of the future, we remain excited and committed to finding innovative ways to support your professional learning.

All of us at the T2 Center are truly proud of you and your accomplishments.

We are very thankful for the support of our sponsors, the Federal Highway Administration and the Connecticut Department of Transportation. Without them, we would not be able to provide all of our valuable services to the Connecticut transportation community.

Congratulations Graduates!
